

Lab Environment Connection Instructions

You should have received a url to reach a Github page. Enter your email address in the box that says “Lab Email Address” and click Submit.

You should see results on the page similar to the picture below:

A screenshot of a document containing connection instructions. The text is as follows:

Using a web browser

Enter this URL address in the browser's URL area:
`https://T-32555-130-198-82-235.ibmztrialmachines.com/`

Authentication with username: Administrator

Using password: b6w1x6W0K0q4P2Q4DYQg

Or using a Remote Desktop Connection (Preferred)

Enter in the Computer area this host name:
`T-32555-130-198-82-235.ibmztrialmachines.com`

Follow the PDF instructions above and authenticate with username:
`W-32555\Administrator`

Same password: b6w1x6W0K0q4P2Q4DYQg

The screenshot shows a light gray background with black text. The URL and password are highlighted in yellow in the original image.

Here is how to use them.

You have two options for connecting to the remote system:

- 1) Using a Web browser ([page 2](#))**
- 2) Using Remote Desktop ([page 3](#))**

To connect using a **Web browser**:

- Copy the address that appears beneath "URL" in the connection details and paste it into the address bar of your browser.
- The page will then present a login window. Use the username that appears under "User ID for Web browser" in the connection details and the password that appears under "Password" and click "Log In"

The image shows a web browser window titled "IBM Z Trial". The page has a blue header with the title. Below the header, there is a white area with text. The text says: "Thank you for choosing to try out IBM z/OS Connect EE Workshop. You can find your user credentials in the last email we sent you." followed by "This demo will be active for 3 days from the date of the same email." and "If you have any problems or you wish to extend the trial please contact ztrial@uk.ibm.com". Below this text, there are two input fields. The first is labeled "Username" and contains the text "Username" with a small icon to its right. The second is labeled "Password" and is empty. At the bottom of the window, there are two buttons: "Cancel" on the left and "Log in" on the right.

IBM Z Trial

Thank you for choosing to try out IBM z/OS Connect EE Workshop. You can find your user credentials in the last email we sent you.

This demo will be active for 3 days from the date of the same email.

If you have any problems or you wish to extend the trial please contact ztrial@uk.ibm.com

To connect through **Remote Desktop**:

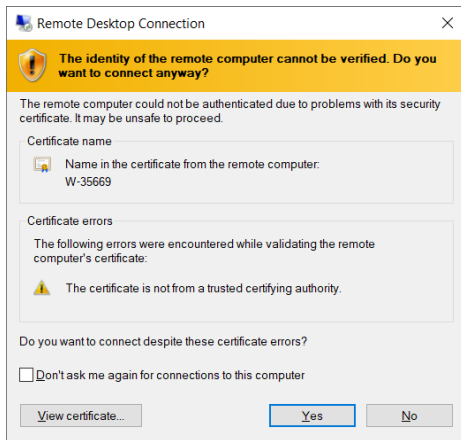

- On your workstation, open the "Remote Desktop Connection" application
(Click "Start" icon, then search for "remote")

- At the "Computer" prompt, paste the details that appear under "IP Address for Remote Desktop"
- Click the button next to "Show Details" to expose more connection options
- At the "User name" prompt, place a "\", then paste the details under "User ID for Remote Desktop"

- Click "Connect"
- At "Enter your Credentials" popup, paste the value that appears under "Password" and click "OK"
- You may have to accept a certificate

A window should appear with a remote desktop connection
